

Intimus 402 - Shredder/Console - The Ideal 2-in-1 Solution

Practical and space-saving — Intimus 402 Data Shredder built into a cabinet with large top surface for fax, printer, multifunctional device, or small copier. It quickly cuts obsolete documents into illegible strips or fine, cross-cut particles.

Features

- Automatic start/stop with light barrier
- Overload shutdown via auto-stop, and reverse button
- "Ready" indicator
- LEDs for paper jam, bin full, door open or catchbasket removed
- Electronics controlled by micro-controller
- Cutters made of solid, hardened special steel

Cabinet Features

- Large top surface: 16 3/4 in. wide x 19 1/2 in. deep
- Easy to roll with 4 double caster wheels
- Large volume basket for shredded material
- Additional storage shelf for copy paper, ect.
